Erasmus+

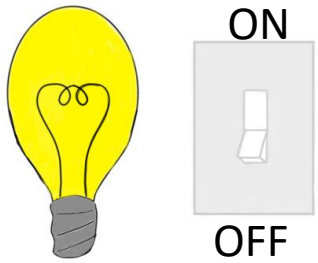
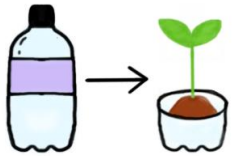
Reduce



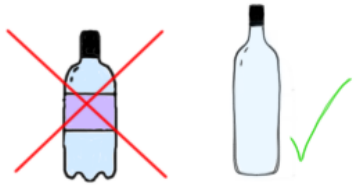
When you don't need light, turn it off and you will save the electric energy.

Reuse



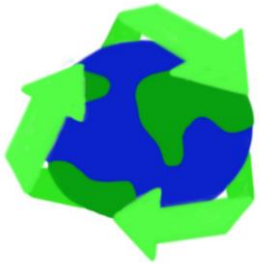
Instead of throwing things away, try and reuse them and give them a new life.

Refuse



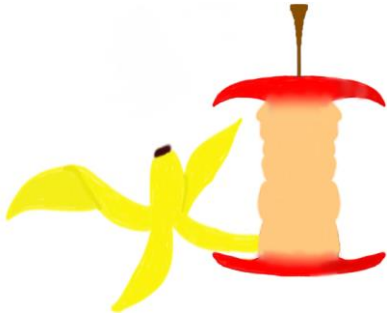
Use glass bottles instead of plastic bottles. After using it you can wash it well and then use it again.

Recycle



Throw each trash in to the right can, so we can recycle as much as we can.

Rot



Discard leftover fruits and vegetables in compost. Later you can use them as fertilizer in the garden.
